

gi-cluster
a corallia initiative

[re:think creativity]

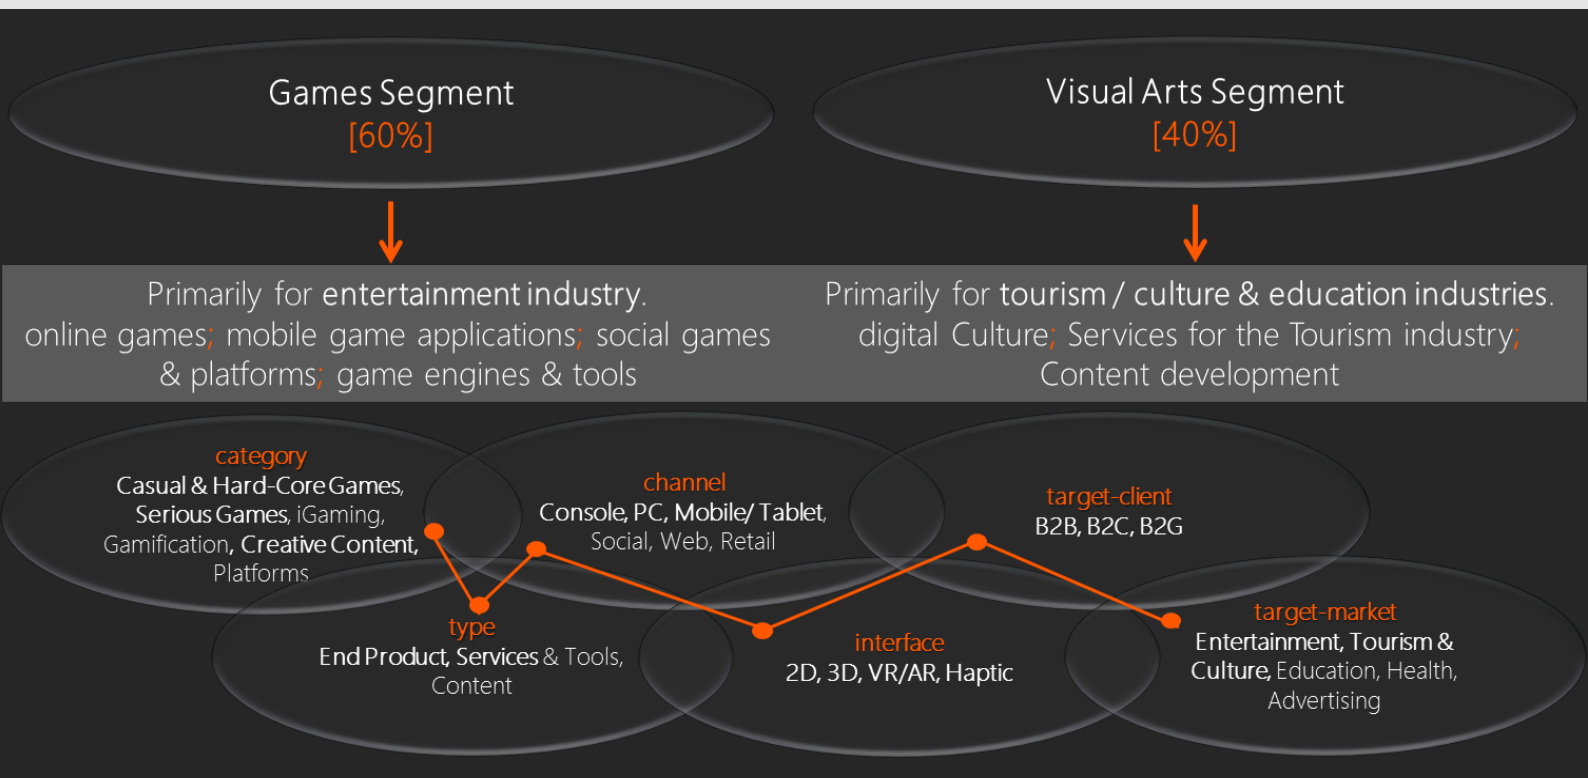

gi-Cluster is the first creative industries cluster established Greece. It comprises of small and large companies, academic and research institutions, all involved in the Gaming and Creative Technologies and Applications Industry and forms a domestic, industry-led value-chain developing high-tech, state-of-the-art competitive products for the international market.

gi-Cluster is indeed its 59 members.

Today it consists of large and small companies, academic and research institutes engulfing the domestic creative economy, which develops innovative technological products and solutions, with unique features and characteristics, for the global market.

- **Industrial base:** 1 large company (>1000 employees); 2 SMEs (>50– 250 employees); 9 Small companies (>10—50 employees) 33 Micro Companies (10 employees or fewer);
- **Academia & Research:** 10 Academic & Research Institutions.; 2 other institutions;
- **Other:** 1 Association + 1 Cluster Facilitator
